During the course of the week it is our goal to develop a team or family atmosphere that encourages all members to realize their potential in areas of music and marching. To this end, no member will be deprived of food or sleep. Students shall not be alone without staff supervision, observation, and interaction, and shall not be subjected to ridicule, threat, corporal punishment, excessive physical exercise or excessive restraint.

## Weekly Rehearsal Procedures

The marching band rehearses after school on **Mondays from 2:15-5pm** (see exceptions in Marching Band Rehearsal Contract). Students are to report promptly to the band room to secure instruments and then move immediately to the stadium. They should not congregate in the band room, as rehearsal will begin *by* 2:30pm. Attendance will be taken (including tardies) and grading policies enforced. *It is essential and expected that students wear proper footwear and clothing for these rehearsals (no sandals, dresses, etc.)* The band boosters provide water during break times.

## Football Game Procedures

Marching band members must report for games **by 4pm** (unless otherwise directed). Students must be punctual so that practice may *begin* at 4:45pm. All attendance policies apply. Students must have on the MTX marching shoes, compression t-shirt, and uniform shorts for this rehearsal. The jacket and hat should be clearly marked with the student's name and left in the uniform cabinets in the band room.

After the field rehearsal, students return to the band room for a brief time. During this time, students dress in full uniform (with hair completely off the collar and inside the hat), rehydrate, and move to the courtyard for final instructions, uniform inspection and parade line-up.

During the game, all members sit in sections by instrument. Immediately after halftime, during the third quarter, the band boosters provide water for the band members. Students are excused to visit friends/family and purchase refreshments (optional). This is the only portion of the game during which students are excused for these purposes. They are to return to their respective places in the stands by the end of the third quarter to resume pep band responsibilities. *Non-band member friends are not to be seated with the band.* The band remains in the stands and in full uniform throughout the game.

Uniform components should be removed/unzipped only as directed by the drum majors. Prior to the end of the game, the band moves into a concert arc on the track. Immediately following the game, the band plays a few selections and parades back to the building where they are dismissed for the evening. Following performances, all uniform components are to be returned to the uniform cabinets. Marching uniforms do not leave school. Students must check in all uniform components with appointed leaders before departing. Students will be charged for soiled, damaged or missing items.
